Keep an eye on this new lobbying team under the Gold Dome. The Robbins Government Relations Group rolled out its team of lobbyists, lawyers and public affairs specialists this week, and it's a formidable list. Founding members include former Sam Nunn aide **Roy Robinson**; ex-Sonny Perdue deputies **Josh Belinfante** and **Rollin Downs**; former Jeff Sessions legislative counsel **Kimberly Anderson**; and **Ryan Teague**, who was Gov. Nathan Deal's executive counsel. Two other founders have close ties to Brian Kemp: **Vincent Russo**, his former executive counsel, and **David Dove**, his ex-top aide.
