

Robbins Firm Assists Client with Multi-Million Dollar Commercial Lease Dispute

The Robbins Firm successfully represented a Fortune 100 company in a recent multi-million dollar contract dispute with a real estate investment firm involving the company's lease of 100,000 Sq. Ft. of office space in north Atlanta. The property, which was part of a previously troubled CMBS trust, had housed the company's regional headquarters. Richard Robbins and Vincent Russo worked with in-house counsel for the company to structure a settlement that allowed the company to proceed with its plans to move to a new location in Atlanta and save the company approximately \$4 million in future liabilities.
